

**FURTHER SUBMISSION IN SUPPORT OF, OR IN OPPOSITION TO, A
SUBMISSION ON THE PROPOSED TE TAI O POUTINI PLAN**

Clause 8 of Schedule 1 Resource Management Act 1991

To: Te Tai o Poutini Plan Team
Address: 388 Main South Road, Paroa, Greymouth 7805
Email: info@tpp.nz

Further Submitter Details

Name of further submitter: Frank Bjerring
 Contact person (if different from above):
 Postal address: 3916 Karamea Highway
 Email address for service: bjerringfamily@xtra.co.nz
 Phone number: 027 7826 737

The TPPP team will serve all formal documents by email. Where there is no email address provided, the documents will be posted to the postal address stated above.

I am: (please tick relevant box)

- a) A person representing a relevant aspect of the public interest.
 (In this case, also specify the grounds for saying that you come within this category); or
- b) A person who has an interest in the proposal that is greater than the interest of the general public.
 (In this case, also explain the grounds for saying that you come within this category); or
- c) The local authority for the relevant area.

Please state the grounds as to why you come within the category selected above:

I am a farmer and the lime provided by the Karamea Lime Co. quarry is important to my business. I am a Karamea resident and community member. The Karamea Lime Quarry provides local employment directly and indirectly to my community. The quarry supports the resilience and well-being of my local community and economy.

TPPP Hearing (please tick relevant box)

Do you wish to be heard in support of your further submission? Yes No

If others make a similar submission would you consider presenting a joint case with them at a hearing? Yes No

Submission

The submission points, support or opposition, reasons and decisions sought are set out in the attached document.

Note: Any attachments to your submission should only be supporting information, not the submission.

Frank Bjerring
 Signature of the person making further submission or the person authorised to sign on behalf of the person making further submission.

Name of Further Submitter

Frank Berrina

My specific further submission(s) are as follows:

(Please only insert one further submission point per line. Add further sheets as required)

I support/oppose the submission of: (State the submission no., name and address of the person making the original submission)	The particular part of the submission I support/oppose are: (State the Submission No./Point no. of the original submission you support or oppose, together with any relevant provisions of the proposal)	Support / Oppose	Sub No. / Point No.	Provision	The reasons for my support / opposition are: (State the nature of your further submission, giving reasons) <i>we need a lime quarry in the area it is not sustainable to transport it over the bluff.</i>	I seek that the whole (or part) of the submission be allowed / disallowed: (Give precise details of the decision you want TTPP to make)
S337 Lanah Hake Tarango 380 Oparara Road RD 3 Karamea West Coast 7893	S337.001	Oppose	Mineral Extraction Zone	We oppose the submission in its entirety. We support MINZ zoning over the Karamea Lime Quarry (i.e. Section 1 SO 15488, Section 50 Blk IX Oparara SD and Lot 1 DP 483059). The submission makes a number of statements that are not based in fact. The s32 evaluation provides sufficient justification for the MINZ and the accompanying technical reports do not identify this highly modified area as an Outstanding Natural Landscape or Outstanding Natural Feature or as having Outstanding Natural Character, High Coastal Natural Character or Outstanding Coastal Natural Character. We contest the magnitude of effect and impact of quarry operations as stated in the submission. We understand that the quarry has been in existence for over 120 years with the Quarry Reserve being gazetted in 1892.	We oppose the submission in its entirety. We support MINZ zoning over the Karamea Lime Quarry (i.e. Section 1 SO 15488, Section 50 Blk IX Oparara SD and Lot 1 DP 483059). The submission makes a number of statements that are not based in fact. The s32 evaluation provides sufficient justification for the MINZ and the accompanying technical reports do not identify this highly modified area as an Outstanding Natural Landscape or Outstanding Natural Feature or as having Outstanding Natural Character, High Coastal Natural Character or Outstanding Coastal Natural Character. We contest the magnitude of effect and impact of quarry operations as stated in the submission. We understand that the quarry has been in existence for over 120 years with the Quarry Reserve being gazetted in 1892.	We seek that the whole submission be disallowed.
S337 Lanah Hake Tarango 380 Oparara Road RD 3 Karamea West Coast 7893	S337.002	Oppose	Natural Features and Landscapes	We oppose the submission in its entirety.
