S337 Lanah Hake Tarango 380 Oparara Road RD 3 Karamea West Coast 7893	Sub No. / Point No. S337.001	Support / Oppose Oppose Mineral Extraction Zone	We oppose the submission in its entirety.  We support MINZ zoning over the Karamea Lime Quarry (i.e. Section 1 SO 15488, Section 50 Blk IX Oparara SD and Lot 1 DP 483059).  The submission makes a number of statements that are not based in fact. The s32 evaluation provides sufficient justification for the MINZ and the accompanying technical reports do not identify this highly modified area as an Outstanding Natural Landscape or Outstanding Natural Feature or as having Outstanding Natural Character, High Coastal Natural Character or Outstanding Coastal Natural Character.  We contest the magnitude of effect and impact of quarry operations as stated in the submission. We understand that the quarry has been in existence for over 120 years with the Quarry Reserve being gazetted in 1892.	We seek that the whole submission be disallowed.
