

Te Tai o Poutini
PLAN
A combined district plan for the West Coast

Te Tai o Poutini Plan Committee

MEDIA RELEASE – 18 December 2020

Help protect our local history through Te Tai o Poutini Plan, the Combined District Plan for the West Coast

Do you want to nominate your favourite West Coast heritage building, mine site or obelisk for protection under the new Te Tai o Poutini Plan?

The West Coast's rich history has produced a large volume and variety of heritage items, and Te Tai o Poutini Plan Committee Chair, Rex Williams, says the team wants to identify the items important to the community.

“We are dealing with a lot of tough decisions, and we would really value the community's input on this.”

Te Tai o Poutini Plan Senior Planner, Edith Bretherton, explained that the planning team has consulted with a number of local heritage groups already, including holding Historic Heritage workshops in Reefton and Ross in August.

“Locals are passionate about their heritage and this is a great opportunity to protect it for future generations.”

If you would like to nominate a heritage item for protection, fill out a nomination form on the TTPP website at: tppp.nz/historic-heritage-notable-trees.
