[General]	[General]	Oppose	<p>So much of the plan concerning cultural significance is not based on fact. And to send home and land owners a letter saying that they could lose control or ownership of their property is distressing and unbelievable.</p> <p>At no time during my house purchase was I advised of any significance of the property, mainly because I would suggest there is none.</p>	The TTPP should be completely dropped in its current form
