SCHED 3: SITES AND AREAS OF SIGNIFICANCE TO MĀORI	SCHED3 - SITES AND AREAS OF SIGNIFICANCE TO MĀORI	Oppose	When we purchased this block of Free hold land it had well be turn over and had foundations put down for a building. The family has plans and the go ahead from engineers and the Buller District to proceed with the build. We have spent a lot of time and money getting rid of the gorse and tidying up the section. the family along with friends have spent many enjoyable times camping and holidaying at Fox River and would like to be able to continue doing this for the near further with out any threat that we might not be able to utilise the land.	Take our block of land off the SCHED3 - sites and area of signifance to Maori or give us the right to develop the land as a family holiday/residential place.
