## Submission points

Plan section	Provision	Support/oppose	Reasons	Decision sought
[General]	[General]	Oppose in part	<p>I Have a Issue with the wording "Significance to Maori"</p> <p>I need more clarification on why my land is "Significant"</p> <p>We have no caves, No burial grounds, the Kawhaka creek does not run through my property, so why is it sited as significant?</p> <p>If this plan was to be introduced in its current form I would be disadvantaged if I was to sell my land, nobody wants land that is incumbered by this sort of plan.</p> <p>If this land was or is Significant why were not told about it when we brought the property 6 years ago, What has changed and why now do we only find out about this.</p> <p>I am not opposed to Maori retaining the land that was in settlement with Govt but this is private land and no one should have the right to tell me what I can and cannot do (excluding legal consents) with my land</p>	Reconsider what is Significant and how it effects current owners
