My submission:

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us).

Firstly I do NOT want any toxic substances added to my drinking water, nor do I want to pay for my rainwater I collect from my roof!

I wonder at the cost - to us the ratepayers - for the 850 page dossier of what you wish to put in place. Also why are there so many pages in Maori? Who exactly is able to read this? Obviously most of the payees cannot? Therefore I conclude this to be a waste of our rates.

When I bought my property 18 months ago there was absolutely no suggestion that I would perhaps be granting some of my land to Maori. I personally am not on your list to do this - at this stage - but know some who are! Surely this would be a criminal act??

I find your communications to be clothed in "Lawyer Speak" so most of us are somewhat confused as to your real meaning. Another council/government ploy? Kindly rectify this in future documents, keep it simple and clear.

I am totally against 3 waters and all it's hidden agendas!!

You people I assumed were elected to work for us - the ratepayers, it would be great to see this happening

Please attach more pages if required.
