Sites and Areas of Significance to Māori	Sites and Areas of Significance to Māori	Oppose	<p>I have already built on 24 Johnston cres and there was never anything found on this sight that is significance to maori. The whole section was just all sand.</p> <p>53 Anderson Lane also has buildings on and we have never found anything that resembles significance to Maori. The Maori only headed to South westland to collect greenstone and then went to Martins Bay to prospect for gold which wan't that sucessfull back in 1887.</p> <p>I would like this please removed from these properties.</p>	I oppose that sites and areas of significance to Maori on 53 Anderson Lane okuru and 24 Johnston Cres Okuru
