Te Tai o Poutini
PLAN
A combined district plan for the West Coast

①

My submission:

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us).

To whom it may concern,

Please accept my submission against the proposed Te Tai o Poutini Plan

According to the letter I received, my small section, Lot 4, Deposited Plan 354288, on Old Christchurch Rd has been identified as containing sites and areas of significance to Māori

It has never before been mentioned that my section has any significance for Māori

The section I have is only 1.2 hectares in size and consists solely of flat ground

Despite being adjacent to a creek, I do not have direct access to it

It angers and frustrates me to hear this news, as I feel I have been singled out and betrayed, as many other neighbours share the same boundary with the creek and aren't affected by this.

**Te Tai o Poutini
PLAN**

A combined district plan for the West Coast

②

As a result of this news, my plans for moving to Hokitika, building on the land, and investing in the West Coast have been changed.

Since hearing of this proposal, I have contacted a real estate agent in Hokitika to arrange for the sale of this land.

I have been informed by my real estate agent that my sale potential will be hindered by this property being classified as significant to Māori.

Injustice seems to be the overarching theme of this whole situation.
