**My submission:**

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us).

Related to : SASM 109 Milltown.

\* Not comfortable with the ad on, site of significance to maori, As the normal RMA Rules on Vegetation clearance, and the RMA Rules on Earth works are more than enough, as any significant activity on my property requires Resource consent from Council anyway. and is subject to the RMA.

I would not like the SASM 109 on and nor is it required on my Property.

Rex Scott.
