ZONES	ZONES	Oppose	<p>Zoning land adjacent to the Westport rifle range residential or lifestyle and allowing housing to be built within the area that gunshots are more than distant background level noise will realistically result in the range use being restricted and most probably shut down due to complaints opposing use of the range on both noise and of ideological anti-firearms nature.</p> <p>This is a safety issue as it will result in hunters/shooters going to other places like riverbeds and beaches to sight in and practice with their firearms, instead of being able to shoot at an existing designed rifle range that is built to be as safe as possible for all party's, shooters and the surrounding area, and has been serving this function for many years.</p>	To not zone land adjacent to the Westport rifle range for residential or lifestyle zone use.
