Mineral Extraction Zone	MINZ	Oppose	<p>Impact on birdlife and other wildlife from dust, blasting, lighting, truck movements. Impact on road safety of significant amount of traffic. No economic benefit to area as all employment will be drawn in from elsewhere as are specialist skills. We would be accepting damage, disruption and impact on native fauna for absolutely no benefit.</p> <p>There are already too many large trucks on the road (dairy) which should also be routed via reefton.</p> <p>Heavy, large trucks are unsafe and each contributes to more ear and damage to vulnerable roads than thousands of cars.</p>	No mining as a permitted activity on the plan on the Barrytown flats
