Te Tai o Poutini
PLAN

A combined district plan for the West Coast

My submission:

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us)

You have failed to address the issues of enforcement of the plan & also enforcement of the consents that will flow from the plan.

If a rate payer can't get any traction with the council to enforce any matters in the plan or a consent resulting in the plan the whole exercise is a waste of time.

Where ^{is it how} is the enforcement of the plan?
to be undertaken?

I am still waiting on WDC to enforce existing consent for 4 years!!

Do I have to go to the environment!!
Court for action?

Please attach more pages if required.
