[General]	[General]	Oppose	<p>Submission to the Te Tai Poutini One district plan.</p> <p>I wish to reconfirm my opposition to the "One District Plan". It is NOT suitable for the WHOLE Westcoast. I submitted on this opposing it when it was first mooted, but once again the majority of submitters were Not listened to. I OPPOSE the proposed zoning adjacent to the Westport Rifle Range on Pakahi Road. There needs to be a buffer zone of more than 300 meters from Pakahi Road. There needs to be NO building allowed only grazing. ie. in the paddock which has 110KVA Wpt-Waim Transpower transmission feeder. The permitted activity in the Buller District plan of a rifle range on Pakahi Road appears to have been negated by the TTPP plan. The shooting community of Buller and New Zealand use this sporting facility daily to train for international sport, local hobby shooting, hunting practice and even for military training exercises, ATC, as well as police training which is on a certificated range as approved by NZ police and range inspectors. Approved facilities such as these are becoming a rarity around the country. My background knowledge on this facility is; 35 years as Sec/Treasurer of Westport pistol club and 50 years having used this facility. I am a licensed firearms dealer. I was the Civil Defence Public Information officer for 31 years and wonder why there is such a push to move to Alma Road, when there is much more flood free elevated land to the north of the Orowaiti bridge. It appears to me that the plan writers have very little knowledge of Buller. I have read the submission forwarded by the Wpt Pistol club and fully support their proposal 100%. I don't need to be heard if you understand this submission. Chris Reynolds</p>	To keep buildings at least 300 meters from Pakihi Road and to note ALL land titles that there is an active existing rifle range on Pakihi Road which is an approved activity.
