SCHED5 - SCHEDULE OF OUTSTANDING NATURAL LANDSCAPES	SCHED5 - SCHEDULE OF OUTSTANDING NATURAL LANDSCAPES	Amend	This is a beautiful natural area with an iconic ridgeline. Pollution to the Oparara river is a concern, as is the destruction of the hillside and native species who live there.	I would like to see the entrance to the Kahurangi National park via Fenian Road (locally known as the pyramid) protected from the current quarrying activity which is increasing rapidly. This is a beautiful natural area which is being impacted, not to mention noise and dust which is impacting the community members who live nearby.
