## Submission points

Plan section	Provision	Support/oppose	Reasons	Decision sought
Sites and Areas of Significance to Māori	SASM	Oppose	<p>1) We believe that the preservation of taonga and culture is important for the fabric of our society in Aotearoa. However, we also note that the map indicating SASM is flawed and would like to understand the reasons for this,</p> <p>2) There has been no evidence or stories shared with private landowners as to why there are SASM within some areas of our farming community. We seek clarification around this.</p> <p>3) We object to the use of the RMA by local authorities when this seems to be a matter best handled by the Waitangi Tribunal and the Crown.</p> <p>4) We would like clarification around how TTPP can take effect over land that is protected by a Victorian Title</p>	<p>Reconsider SASM boundaries and provide details to landowners regarding the SASM points of interest. This includes why parcels of land were chosen and why some that seem glaringly obvious were not.</p> <p>Provide details and evidence on how the Treaty Settlement Act supports SASM within the TTPP.</p>
