HCV - Historical and Cultural Values	HCV - Historical and Cultural Values	Oppose	<p>My submission is about SASM 104 (Map 63) that features the Kawhaka Creek area in the Arahura Valley. Much of the lower area is on my farm at 437 Old Christchurch road. This area is well developed and used for dairy farming.</p> <p>The area described goes well beyond the banks of the Kawhaka Creek and crosses the road onto farmland that is well away from the creek. There is no background given as to why this is a site of significance to Maori.</p> <p>I object to the use of the RMA by local authorities when it should be a treaty settlement between the TOW tribunal and the Crown</p>	I would like to have this removed from my property as I do not see the significance for my farming activity under the district plan.
