Te Tai o Poutini  
PLAN

A combined district plan for the West Coast

**My submission:**

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us).

- ① While I support the permitted activity rules for indigenous vegetation clearance in the Buller District, I am concerned that there is no permitted provision once SNAs are identified & scheduled & the rule framework needs to be reviewed
- ② I am concerned with the extent of the various overlays & whether the boundaries are defined accurately & the potential for land use restrictions that are not warranted. The <sup>extent of</sup> overlays should be re-assessed
- ③ I suggest a 'usability' check of the Plan is completed. The rule framework needs to be both concise & understandable by all users.
