[General]	[General]	Oppose	Council should have no say on privately owned property, This proposal is really moving into a socialist way of thinking not the democratic society we live why is this.	Remove restrictions on Private property.
			Copies of the proposal to made in both English and also Maori languages, this mixture of the two languages is disrespectful of the two main cultures here in New Zealand and leaves the proposal too hard to understand as most people in this country are not fluent in TE REO Maori. So what are we agreeing too.	Print this out in English and a Maori version separately.
