PLAN

A combined district plan for the West Coast

My submission:

(Include whether you support or oppose the specific provisions or wish to have them amended, reasons for your views and the decision you seek from us).

Apparently our property at 20 Gillows Drive Rd is being considered for a zone change to Commercial.

We oppose this.

The need at the moment is for residential property away from the flood zone. We have in mind sub dividing our bottom paddock for this reason.

It seems ridiculous to have our property pin pointed for commercial zoning when we already have our own home on this property as well.

The town of Westport hasn't grown alot over the last 50 years and there are plenty of commercial areas in town that could be used to better advantage.

Has anyone been out to actually have a look at our property?

We have a 350m³ home with established gardens on the top of the hill and paddocks down below to the road which would make an ideal safe environment for someone interested in either building or unaltered velocity on South Pent House.

My brother (Warren French) had a subdivision directly across the road.
