To the Te Tai o Poutini Plan Committee,

Submission from Koiterangi Lime Co Limited on the Proposed Te Tai o Poutini Plan

Please find attached our submissions on the Proposed Te Tai o Poutini Plan.

Our submission explicitly extends to include any other related provisions in the plan touched on in our submission and/or concerning our submission or relevant to the matters raised in our submission.

We wish to speak to our submission. We would consider presenting a joint case if others make a similar submission.

We support recognising the importance of farming, quarrying and mining to the West Coast. We support specifically providing for mineral extraction in zones across the three West Coast districts including within rural, open space and specific mineral extraction zones. We support the Mineral Extraction Zone remaining in the Plan (though being amended to include further parcels as noted in this submission) and including future activities to help ensure economic opportunities on the West Coast into the future.

Section 2 SO 11712, Section 3 SO 11712, Lot 1 DP 315 and Pt Lot 2 DP 315 are owned by Koiterangi Lime Co Limited.

Our limestone quarry provides an essential product for the local agricultural industry. Quarrying and crushing limestone in Kowhitirangi minimises freight costs and carbon emissions associated with purchasing and transporting lime from out of district and region.

The quarry provides local employment directly and indirectly.

The quarry supports the resilience and well-being of the local community and economy.

Thank you for considering our submission.

Yours faithfully,

Directors of Koiterangi Lime Co. Ltd
