Sites and Areas of Significance to Māori	Sites and Areas of Significance to Māori	Oppose	<p>My section was freeholded from Mawhera Incorporation several years ago. Mawhera Incorporation agreed to the freehold as the land as it had no significance to Maori and was surplus to requirements. Under this proposed plan you are now saying it does, either Mawhrea Incorporation freeholded the land under false pretences or your organisation has not done ir's homework on the legal status of the land. I believe if you are now going to put restriction on my property after the fact then I should be compensated. I will be seeking legal advise.</p> <p>Alan O'Connell</p>	Withdraw my freehold section from this part of the plan,
