## Submission points

Plan section	Provision	Support/oppose	Reasons	Decision sought
Sites and Areas of Significance to Māori	SASM	Oppose	<p>Current and former Maori reserves should not be included as an SASM as they have no rules which apply under the policy.</p> <p>Evidence of the significance or activity has not been provided to current land owners. What terms were signed during a freehold process which would allow previous owners to continue to label an interest in the property after change of ownership? What obligation does an iwi have to determine what or when the significance existed, for example if the significance took place back in the 1800's or in the 2000s.</p> <p>What guarantee can council provide to property owners labelled with SASM whether rules apply or not, that the value of the property will not be negatively influenced by this implementation. As protectors of these areas and any significance; owners should be entitled to rewards and compensation for these guardianship responsibilities.</p>	Current and Former Maori reserves should not be included as an SASM
