Sites and Areas of Significance to Māori	SASM	Oppose	Totara Flat. Best we know of is a very small area at the SH7 / Granville Road Intersection has some historical use. 50 to 100 meter circle could well cover that area. Why is the greater area of Totara Flat included? Is there some written history we don't know about locally.	Reduce or remove the area covered
Sites and Areas of Significance to Māori	SASM	Oppose	I have asked many miners and also from my years mining, no jade north of the Arnold River if it even gets that far North. Why does the map go to the South Bank of the Ahaura River?	Greenstone map. Reduce area To the South Bank of the Arnold River.
