

General

Proposed Porirua Council District Plan, including Section 32

Proposed Selwyn Council District Plan, including Section 32

Proposed Queenstown Lakes District Plan, including Section 32

Proposed New Plymouth District Plan, including Section 32

Proposed Dunedin City Council District Plan

Christchurch District Plan

Ashburton District Plan

Auckland Unitary Plan

Thames Coromandel District Plan

Kapiti Coast Proposed District Plan

Central Hawkes Bay Draft District Plan

Southland District Plan

Gisbourne District Plan

Far North District Plan

Civil Defence Emergency Management Act 2002

Building Act 2004

Geology of the Aoraki area. Institute of Geological and Nuclear Science 1:250 000 geological map 15. 1 sheet + 71 p. Lower Hutt, New Zealand. GNS Science. 2007. Cox, S.C.; Barrell, D.J.A (compilers)

Geology of the Greymouth area. Institute of Geological and Nuclear Sciences 1:250 000 geological map 12. 1 sheet + 58p. Lower Hutt, New Zealand. Institute of Geological and Nuclear Sciences Limited. 2002. Nathan, S.; Rattenbury, M.S.; Suggate, R.P (compilers).

Geology of the Nelson area. Institute of Geological and Nuclear Sciences 1:250 000 geological map 9. 1 sheet + 67 p. Lower Hutt, New Zealand: Institute of Geological and Nuclear Sciences Limited. 1998. Rattenbury, M.S., Cooper, R.A., Johnston, M.R (compilers).

Geology of the Haast area. Institute of Geological and Nuclear Sciences 1:250 000 geological map 14. 1 sheet + 58 p. Lower Hutt, New Zealand. GNS Science. 2010. Rattenbury, M.S.; Jongens, R.; Cox, S.C. (compilers).

The Zero Carbon Act, an opportunity to fix our legal framework for adapting to climate change. December 2019. Andrew Braggins and Edwin Sheppard in Planning Quarterly, Issue 215.

Climate Change Effects and Impact Assessment: A Guidance Manual for Local Government in New Zealand. Ministry for the Environment, 2008 <https://environment.govt.nz/publications/climate-change-effects-and-impacts-assessment-a-guidance-manual-for-local-government-in-new-zealand/>

Preparing for Climate Change: A Guide for Local Government in New Zealand. Ministry for the Environment, 2008. <https://environment.govt.nz/publications/preparing-for-climate-change-a-guide-for-local-government-in-new-zealand/>

Planning and engineering guidance for potentially liquefaction-prone land. Resource Management and Building Code Aspect – MBIE, MfE, Earthquake Commission

<https://www.building.govt.nz/assets/Uploads/building-code-compliance/b-stability/b1-structure/planning-engineering-liquefaction.pdf>

West Coast Regional Council Asset Management Plans: Karamea, Kongahu, Mokihinui, Punakaiki, Nelson Creek, Red Jacks, Coal Creek, Greymouth, Inchbonnie, Taramakau, Hokitika Seawall, Hokitika Southside, Kanieri, Raft Creek, Kowhitirangi, Vine Creek, Wanganui, Matanui, Whataroa, Waitangitōana, Franz Josef, Lower Waiho, Okuru, Neils Beach <https://www.wcrc.govt.nz/services/special-rating-districts/special-rating-districts>

Franz Josef Natural Hazards Options Assessment and Cost Benefit Analysis Prepared for: West Coast Regional Council. October 2017. Tonkin + Taylor and EY.
