**MINUTE 17 – PROVISION OF EVIDENCE  
FOR NATURAL FEATURES AND  
LANDSCAPES HEARING TOPIC**

1. Ms Easton's s42A report for the Natural Features and Landscapes topic identified that further analysis and mapping work was being undertaken in relation to submissions within Section 11 of her report, with an addendum to her s42A report to be released shortly following the completion of this further work.
2. As a result, the timing for all submitters' expert evidence has been extended and is now due on 12<sup>th</sup> February 2024, and submitters' legal submissions will now be due on 26<sup>th</sup> February 2024.
3. The final date for confirming attendance at the Natural Features and Landscapes hearing will remain 19<sup>th</sup> February 2024, and the hearing commencement date is also unchanged, and remains scheduled for 4<sup>th</sup> March 2024.
