**RE: Hearing Statement - Natural Hazards hearing topic**

1. We act for Silver Fern Farms Limited (“**Silver Fern Farms**”) who lodged a submission on the Proposed Plan’s Natural Hazards provisions, being point s441.002 regarding “Critical Response Facility” and point s441.0115 regarding the addition of reference to functional and operational need in policy NH-P2.
2. Silver Fern Farms has reviewed, and accepts, the amended s42A recommendations on its submission points and it does **not** intend to file evidence, or appear, in relation to the matters in the scope of this hearing topic. While its recommended amendments to NH-P2 are rejected, it supports the amendments to NH-P1 which achieve a similar outcome.
3. Silver Fern Farms thanks the Panel for its time and acknowledgement of the issues raised in Silver Fern Farms’ submissions. Please contact me if you wish to clarify any matters addressed herein.

Yours sincerely,

Steve Tuck
