MINUTE 45 – Extension for Cumulative
Effects of Wastewater Disposal Reporting

INTRODUCTION

1. The Hearing Panel issued Minute 38 on 9 August 2024, requesting the West Coast Regional Council (the Regional Council) provide a report by 27 September 2024 on the potential cumulative effects of onsite wastewater disposal in relation to rezoning proposals at Moana and Cape Foulwind.
2. The Regional Council sought a proposal for the work from a suitably qualified provider. The proposal was received on 17 September and a contract signed on 19 September.
3. The provider has indicated that they cannot deliver the report by 27 September and requests an additional two weeks to undertake the work.
4. The Hearing Panels grants a two-week extension to 11 October 2024 for delivery of the report.
