

Memorandum

To: Hearings Panel

From: Melanie Foote, Planner for Scenic

Date: 8th November 2024

Submitter number: 483

Subject: pTTPP Post Hearing Response following the South Westland Natural Hazards Part A and Franz Josef Special Settlement Zones Hearing

1. The purpose of this memo is to respond to questions and matters of submission scope with regard to Scenic's submission and evidence arising from the recent pTTPP hearing held on 8th October 2024 online.
2. With regard to the matters of scope Mr Simon Johnstone has provided a legal view on this and is attached as **Appendix One**. In summary he considers that the submission provides sufficient scope for the submissions raised and amendments sought.
3. As part of the hearing questions were raised around the proposed drafting amendments and whether improvements could be made. Please see attached table attached as **Appendix Two** which proposes further amendments/refinement.
4. We trust we have addressed all the outstanding matters and are happy to answer any further questions that may arise or provide further clarification.
