2.0 Submissions

No submissions were received regarding the notified MINZ at Karamea Quarry.

3.0 Evidence

No evidence was received regarding the notified MINZ at Karamea Quarry.

4.0 Assessment of Information Provided by Council

Information has been provided by Buller District Council and the West Coast Regional Council. No information received was applicable to this site.

It is noted that Schedule 9 of the proposed Te Tai o Poutini Plan, which identified lawfully established mineral extraction and processing areas by listing the authorisation mechanism that permitted the activity, cited Karamea Quarry as an existing West Coast Regional Council quarry that is authorised by resource consents. However, no specific resource consent was cited.

5.0 Recommendation

Based on an assessment of the available information, no authorisation mechanisms are available to confirm that the area encompassed by the notified MINZ at Karamea Quarry has authorisation to operate a mining activity.

It is recommended that the notified MINZ at Karamea Quarry is removed.
