

Good afternoon,

I wish to make a Submission to Variation 1: Activities on the Surface of Water.

I have been unable to locate a Submission Form on the website except for Variation 2 where submissions have expired.

My submission relates specifically to Port of Greymouth, but is also relevant to Westport Harbour.

'This variation ratifies the current activities at the Port of Greymouth, and Westport Harbour, and ensures the continued use of the ports in to the future.

I fully support this variation.'

Yours sincerely,

Franco Horridge

Port of Greymouth Manager
