---

If any others making similar submissions wish to be heard:

Yes, I would consider presenting a joint case with them

No, I would prefer to present my own individual case

### **Enquiries**

All queries regarding this variation or the TTPP in general can be addressed to the TTPP Team at [info@tppp.nz](mailto:info@tppp.nz), 03 768 0466, or 0508 800 118.

### **Public information**

All information contained in a submission under the Resource Management Act 1991, including names and addresses for service, becomes public information. The content provided in your submission form will be published on the Te Tai o Poutini Plan website and made available to the public.

We collect, use and share your information for the following purposes as directed by Schedule 1 of the Resource Management Act 1991:

- Original submission, and the associated address for service, is required (and made public) for:
  - Further submitters to serve their submission on an original submitter
  - TTPP Planning Technician to contact you about making an oral presentation supporting your written submission and/or advising you of the decision of the hearing panel.
- A summary of submissions report is produced following the close of submissions. This report assists the hearings panel and the public to review the submissions made.
- All submission data is required to ensure a sound and accurate consultation and hearings process.

If you wish to update or correct your name or address for service, please contact the TTPP Team on 0508 800 118 or by email at [info@tppp.nz](mailto:info@tppp.nz)

### **Validity of Submissions**

Please note that submissions may be struck out in whole or in part if authorities (including Council staff, Independent Commissioners or Legal authorities delegated jurisdiction with respect to such decision-making) deem any submission partially or entirely:

- Is frivolous or vexatious in its content;
- Discloses no reasonable or relevant case for a position taken;
- Contains offensive language; and/or
- Is supported only by material that purports to be independent expert evidence, but has in fact been prepared by a person who is not independent and/or does not have sufficient specialised knowledge or skill to give expert advice on the matter.

Those hearing submissions may also refuse to take a submission further in whole or in part if believing that there allowing otherwise would be an abuse of the hearing process.

| New Policy |          |                                                                                                                                                                          |                         |
|------------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
| Provision  | Position | Reason                                                                                                                                                                   | Requested Decision      |
| ASW-P4     | Support  | The proposed policy seeks to enable the continued use of the Grey and Buller Ports and their respective rivers for port activities and associated commercial activities. | Retain proposed policy. |

| Introduction Section |          |                                                                                                                                                          |                           |
|----------------------|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|
| Provision            | Position | Reason                                                                                                                                                   | Requested Decision        |
| ASW-R4A              | Support  | The continued use of the surface of water within the areas identified in the proposed rule for port activities is required and needs to be provided for. | Retain the proposed rule. |

| How The Plan Works Section |          |                                                                                                                                                           |                                             |
|----------------------------|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| Provision                  | Position | Reason                                                                                                                                                    | Requested Decision                          |
| ASW-R6                     | Support  | The proposed amendment of the heading of R6 assists with interpretation of the application of the rule in providing the additional rule ASW-R4A proposed. | Retain the proposed rule heading amendment. |
