Mōrena Mark,

Hope all is well. Just wanted to check in following our conversation last week.

Wanting to confirm whether I'm understanding the following correctly:

1. you'll be in a better position to discuss the registering of easements for legal access to your property following a submission on the TTP
 - (a) the TTP is the Te Tai o Poutini District Plan, for which submissions close on Friday 28 October?
2. you have a letter from a Minister regarding ownership rights of pounamu on your land, and
3. you're keen to start constructive conversations regarding both access and pounamu following the closing of TTP submissions, dependent on the outcome of your submission.

Please let me know if any of that isn't quite right – thank you for your patience as I come up to speed. Any chance you're able to let me know the date the letter was sent/signed – I'm keen to read a copy and we should have it on file, or if you get a chance and are comfortable feel free to email it.

Hope you have a good week,

Bill Busfield (he/him)

Kia ora Mark,

Hope all is well. Just emailing to let you know today is my last day at Te Arawhiti as I'm going to MBIE to work on Consumer Policy.

I wanted to thank you for your open and co-operative communications on the access issue, as well as hosting us in the Valley.

Realise there may have been developments in your thinking/proposal since we were last in contact, so once you're ready please get in touch directly with Phil (027 576 9189).

Hoping all the best for you and your whānau.

Kind regards,

Bill Busfield (he/him)

Good evening, Bill

This sounds good to me. I have attached a couple of documents of interest. One is a private mineral investigation from a LINZ accredited provider. The second from Ministers providing protection for existing privilege and treaty settlement property rights.

If there is anything I can do to facilitate your visit, please let me know

Regards Mark
