#### My submission:

(Include whether you support or oppose the specific provisions or wish to have them amended, and the reasons for your views.)

I oppose the specific provisions and wish to have them amended.

- ① The climate is not changing as fast as the scientists are claiming. They are trying to green wash us.
- ② You can't trust scientists they are just guessing with their computer modeling.
- ③ Neils Beach has been there for thousands of

- years and will continue to be unchanged
- ④ The mental health issues which will follow the proposed TPPP will be huge.
  - ⑤ If the proposed TPPP goes ahead our properties will virtually be valueless, uninhabitable and not saleable which is what the global elites want.
  - ⑥ I do question will we still be charged rates from WCC and WCDC?

In closing stop the man made weather manipulation and all will be well.

Yours Sincerely Murray Gibson
