Variation being submitted on: Variation 2 – Coastal Natural Hazards Mapping

My submission: In restricting the building of a home on an existing section to the next 5 years, those who cannot afford to build now are penalised. The 5 year restriction should be removed.

I would like the following decision(s) to be made with respect to this Variation: I wish to have the plan amended to allow existing landowners to build a home at any time, not just in the next 5 years. That home could be a transportable home or tiny home
