Variation being submitted on: Variation 2 – Coastal Natural Hazards Mapping

My submission: The hazard map does not identify the sand dune
country that is highly vulnerable to sea level rise and
storm surge.

The sand dunes that Okari Road is constructed on are
the ones at issue here.

I would like the following
decision(s) to be made with respect to this Variation: Expand the hazard zone inland from Okari Road.

Please indicate if you wish to speak
to your submission: I wish to speak to my submission

If any others making similar
submissions wish to be heard: No, I would prefer to present my own individual case
