Attn; TTPP Team,

Hello, John Phillips of
78 Domett Esp. Cobden
&

Greymouth Nursery, Preston Rd. Greymouth

Responding to a notification received
regards Natural Hazard mapping.

Unsure as to impact on my holdings
but wanting to express interest and
apprehension as to any variation that
might affect my ongoing business operation
and domestic dwelling situation.

We feel the Preston Rd. property
adequately protected by our
raised flood wall.

Domett Esp. To my knowledge has no
history of issues.

I look forward to any feedback.

Yours Sincerely John Phillips.
