Variation being submitted on: Variation 2 – Coastal Natural Hazards Mapping

My submission: Hi just wondering why my shed at 68 veale way is in the red the boundary seems to kink to contain my property for no real reason I can see. Neighbours who are much closer to the sea are outside this boundary, I question the science you have used.

I would like the following decision(s) to be made with respect to this Variation: Would like the boundary adjusted for realtime erosion and buildup of the coast
