## Validity of Submissions

Please note that submissions may be struck out in whole or in part if authorities (including Council staff, Independent Commissioners or Legal authorities delegated jurisdiction with respect to such decision-making) deem any submission partially or entirely:

- Is frivolous or vexatious in its content;
- Discloses no reasonable or relevant case for a position taken;
- Contains offensive language; and/or
- Is supported only by material that *purports* to be independent expert evidence, but has in fact been prepared by a person who is not independent and/or does not have sufficient specialised knowledge or skill to give expert advice on the matter.

Those hearing submissions may also refuse to take a submission further in whole or in part if believing that there allowing otherwise would be an abuse of the hearing process.
