**To**                   The Registrar  
                          Environment Court  
                          Christchurch

- 1       Bathurst Resources Limited (**'Bathurst'**) and BT Mining Limited (**'BT'**) wish to be a party to an appeal by New Zealand Coal & Carbon Limited (**'Appellant'**) in relation to decisions on the Proposed Te Tai o Poutini Plan (**'TTPP'**) (Court reference: ENV-2025-CHC-000130).
- 2       Bathurst and BT:
  - a       Are persons who have an interest in the proceedings that is greater than the interest of the general public. Bathurst and BT currently own and operate coal mines within the Buller District. The Stockton Mine is currently operative and two further mines, the Mt William North and Coalbrookdale mines, are proposed to be developed in the future by Bathurst and BT. The Appellant's relief includes amendments to provisions that relate to the operation and development of these mines.
  - b       Made submissions (number S491) and further submissions (number FS89) about the subject matter of the proceedings.
- 3       Bathurst and BT are not trade competitors for the purposes of section 308C or 308CA of the Act.
- 4       Bathurst and BT are interested in the part of the proceedings relating to providing for the operation and development of coal mining and ancillary activities including GRUZ-R11.
- 5       Bathurst and BT generally support the Appellant's relief sought insofar as it is consistent with their appeal, submissions and further submission.

6 Bathurst and BT agree to participate in mediation or other alternative dispute resolution of the proceedings.
