Kia Ora,

It has been brought to Buller Conservation Group's attention that its appeal point concerning a Contents page in an adobe document version of the TTPP Decision version is no longer a viable appeal point as there will be no TTPP adobe document version.

therefore BCG withdraws that appeal point.

Please find formal withdrawal documents attached.

Hi Frida,

Thank you for your time on the phone.

I understand that you will now withdraw the Buller Conservation Group appeal point seeking that there be a Contents page included in the TTPP.

The withdrawal of this point will resolve all of your appeal points that have been allocated to this topic.

Kind regards,
Alice
