Subject: RE: ENV-2025-CHC-000100 Currie and others v Te Tai o Poutini Plan Committee [WYNNW-ACTIVE.FID3185333]

Good morning,

The remaining NZ Coal and Carbon appeal points are allocated to the following topics:

Appeal Point	Topic
<i>Maps, SEC 39 SO11207 TWN OF ROA BLK II MAWHERANUI SD (Valuation ID 2543020700) and SEC 48 SO 11207 BLK II MAWHERANUI SD: the relief sought is an amendment (reduction) to the Settlement Zone at Roa township so it does not overlap with the MINZ and the Roa Mine access road and/or yard area.</i>	Topic 34: Zones – Maps and Specific Site Zones
<i>Schedule 4, Significant Natural Areas, BLA-P002 Mt Davy: the relief sought is the removal of the Roa Mining Company Ltd mining permits and licence from BLA-P002 Mt Davy.</i>	Topic 33: ECO - Ecosystems and Indigenous Biodiversity

<p><i>NOSZ - R18: the relief sought is to change the activity status from non-complying to discretionary.</i></p>	<p>Topic 18: Mineral Extraction</p>
<p><i>ECO - R10 4.a.: the relief sought is to amend this provision, so it is consistent with the December 2025 amendments to the National Policy Statement for Indigenous Biodiversity.</i></p>	<p>Topic 33: ECO - Ecosystems and Indigenous Biodiversity</p>

NZ Coal and Carbon has been removed from all other topics. An updated topic allocation table will be provided to the Court shortly. Counsel for the Committee is resolving a few other minor topic reallocation issues at present.

The Committee confirms it has no issue as to costs.

Kind regards,
Alice
